me: http://www.mediafire.com/?zzpb7ccu5sdjfeu
me: got any interest in my conversation this morning with Booz Allen Hamilton senior vp?
me: I caught him lying
me: about his connection to HBGary
me: pursuant to this e-mail
me: http://hbgary.anonleaks.ch/aaron_hbgary_com/9061.html
Adrian: ah yeah I just listened to it
Adrian: do you know what they were meeting about
me: Anonymous
Adrian: on behalf of whom
Adrian: I assume it was for a client?
me: they were interested in Aaron's research on Anon
me: for a certain "product"
Adrian: ah
me: I also spoke to a fellow, "Snake"
me: who worked there
me: and who gave me background
me: we're basically about to kind of fuck them over a lot
Adrian: oh yeah?
Adrian: how so? a leak?
Adrian: that could be big
me: already caught VP lying, demonstrably
me: about to put it up on Daily Kos
me: and meanwhile
me: this guy is interested in talking more
me: after he looks into me a bit more
me: basically he's not happy with certain people there
me: I've got a ten-minute convo with him
me: and am looking into the info now
Adrian: cool, well keep updated
Adrian: do you have any idea what the "product" is?
Adrian: like, an anti-DDoS, or IT Security thing or something
me: Snake described it as being a "good product" that is nonetheless dangerous, "like a gun"
me: we've codenamed it Metal Gear, lol
Adrian: ha
